

U.S. Representative Alcee L. Hastings - Fiscal Year 2010 Requested Projects

<u>Recipient</u>	<u>Project Name</u>	<u>Address</u>	<u>Amount</u>	<u>Explanation</u>
ARISE Foundation	ARISE Foundation	824 U.S. Highway 1, Suite 240, North Palm Beach, FL 33408	\$1 million	The ARISE program has achieved significant success in providing Florida Juvenile Justice staff with in-depth training and specialized skills to assist at-risk and incarcerated youth with developing important life and workplace skills.
Barry University	Institute for Community and Economic Development	11300 NE Second Avenue, Miami Shores, Florida 33161	\$250,000	The Institute delivers research-based education and training to minority and women-owned business enterprises and those providing leadership in the non-profit sector in South Florida. Expansion of the Institute will offer more small businesses, family businesses and community-based/non-profit organizations to meet the challenges related to the present economic downturn.
Broward County	Pediatric Mortality Public Awareness	115 S. Andrews Avenue, Fort Lauderdale, FL 33301	\$279,512	Broward County is developing a public awareness and outreach campaign to target at-risk families, caretakers and childcare providers to reduce the unusually high death rate associated with SIDS and other preventable causes within communities of color.

<u>Recipient</u>	<u>Project Name</u>	<u>Address</u>	<u>Amount</u>	<u>Explanation</u>
Children's Services Council of Palm Beach County	Healthy Steps	2300 High Ridge Road, Boynton Beach, FL 33426	\$250,000	Healthy Steps specialists work with pediatricians and parents to address behavioral and developmental issues in children from birth to age three. This nationally-recognized program promotes positive physical, emotional and intellectual growth and development.
City of Fort Lauderdale	Fiveash Water Treatment Plant Upgrades	101 NE 3rd Avenue #350, Fort Lauderdale, FL 33301	\$10 million	Many of the existing plant components are at the end of their useful life. Upgrades will ensure that components do not fail, rendering the plant unable to produce drinking water.
City of Fort Lauderdale	Interoperable Communications Upgrade	101 NE 3rd Avenue #350, Fort Lauderdale, FL 33301	\$20 million	Modernize and enhance the present city and regional communications systems, ensuring reliable and effective communications and meeting Department of Homeland Security requirements.
City of Fort Lauderdale	Melrose Park Lighting Project	101 NE 3rd Avenue #350, Fort Lauderdale, FL 33301	\$500,000	To provide critical security needs for Melrose Park and surrounding residents.
City of Fort Lauderdale	Sistrunk Boulevard	101 NE 3rd Avenue #350, Fort Lauderdale, FL 33301	\$5 million	This project will improve the quality of life and stimulate economic growth and redevelopment in the urban neighborhoods near and adjacent to the Sistrunk corridor.
City of Fort Lauderdale	Structural Bridge Repairs	101 NE 3rd Avenue #350, Fort Lauderdale, FL 33301	\$2,992,800	This project will improve the structural integrity of the bridges, prevent further deterioration of the bridges, and ensure public safety.
City of Fort Pierce	North 13th Street Revitalization Project	100 North U.S. 1, PO Box 1480, Fort Pierce, FL 34954	\$3 million	By creating a safe pedestrian environment, this project will enhance the reinvestment efforts and sustainability of private and public improvements along this busy corridor.

<u>Recipient</u>	<u>Project Name</u>	<u>Address</u>	<u>Amount</u>	<u>Explanation</u>
City of Lauderdale Lakes	Public Safety / Emergency Operations Facility Project	4300 NW 36th Street, Lauderdale Lakes, FL 33319	\$2 million	Funds to renovate an existing building into an Emergency Operations Center. This is essential for a comprehensive local and regional emergency management system to ensure proper and effective response to disasters and other emergencies.
City of Lauderdale Lakes	Stormwater Improvements/Stabilization of Canal Banks	4300 NW 36th Street, Lauderdale Lakes, FL 33319	\$500,000	Funding for high priority renovations to ensure the ongoing protection of the health and welfare of the area's residents
City of Lauderhill	2010 Florida Caribbean Games security	3800 Inverrary Blvd, Suite 306, Lauderhill, FL 33319	\$50,000	Funds security for the 2010 Florida Caribbean Games, in which over 1,000 athletes representing 35 nations will be competing in the largest gathering of foreign athletes in the United States since the U.S. Olympics.
City of Lauderhill	Florida Caribbean Games Multi-Purpose Athletic Facility	3800 Inverrary Blvd, Suite 306, Lauderhill, FL 33319	\$3 million	This facility will serve as a significant economic engine for what has been a distressed area of Broward County.
City of Miramar	Miramar Multi-Service Center and Transit Hub	2300 Civic Center Place, Miramar, FL 33025	\$3 million	This facility will provide community transit services and improve the quality of life for seniors and younger low-to-moderate income persons, transit dependent residents, and those who do not have access to medical services. In addition, better transit facilities and increased ridership will reduce air pollutants.
City of Oakland Park	Garden Acres Improvement Project	3650 NE 12th Avenue, Oakland Park, FL 33334	\$3,400,000	The Garden Acres Improvement Project will improve the health, safety and welfare of residents and business owners through the installation of sanitary sewers, drainage, and street improvements.

<u>Recipient</u>	<u>Project Name</u>	<u>Address</u>	<u>Amount</u>	<u>Explanation</u>
City of Pahokee	Redevelopment of City Property	171 N. Lake Avenue, Pahokee, FL 33476	\$300,000	Preparing adjacent city lots for development projects to spur economic development.
City of Pembroke Pines	Alternative Water Supply Reuse	10100 Pines Blvd, Pembroke Pines, FL 33026	\$2 million	Funding for the design and construction of this project to recharge and replenish the Biscayne Aquifer, satisfying current regulatory requirements, including water conservation. This project is necessary for the continued stability and sustainable of the region's water supply.
City of Plantation	Law enforcement technology	400 NW 73rd Avenue, Plantation, FL, 33317	\$56,000	Law enforcement technology funding to update the city's current antiquated 911 system to meet public safety and law enforcement demands.
City of Plantation	Data Center Bunker	400 NW 73rd Avenue, Plantation, FL, 33317	\$716,000	Funds to renovate an abandoned building for use as an integrated and centralized communications center, to ensure effective police, fire, and other emergency operations.
City of Pompano Beach	VOIP System	100 West Atlantic Blvd, Pompano Beach, FL 33060	\$650,000	Voice Over IP System to enable the City to upgrade existing, antiquated communications system to improve security, reliability, disaster relief and recovery, and other essential government public safety obligations.
City of Riviera Beach	Law Enforcement Technology Improvement Project	600 West Blue Heron Blvd, Riviera Beach, FL 33419	\$500,000	Funds to develop a mission-critical public safety network including communication devices, emergency operations center equipment, port surveillance, and other technologies and equipment to enhance law activities.

<u>Recipient</u>	<u>Project Name</u>	<u>Address</u>	<u>Amount</u>	<u>Explanation</u>
City of Riviera Beach	Stormwater Management Plan, Lake Worth Lagoon	600 West Blue Heron Blvd, Riviera Beach, FL 33419	\$1 million	To implement the City's storm water management plan and to construct a new storm water drainage system to meet water quality requirements for the Lake Worth Lagoon.
City of Riviera Beach	Blue Heron Blvd	600 West Blue Heron Blvd, Riviera Beach, FL 33419	\$2 million	Blue Heron Blvd is a vital urban arterial road which serves as the "gateway" to the City, and is in need of significant improvements
City of South Bay	Island Road Recreation Complex	335 SW 2nd Avenue, South Bay, FL 33493	\$6,959,212.32	Redevelopment of an area into a recreational/city meeting place for youth activities, job creation and retention, community safety and crime reduction, environmental preservation, and community-wide investment.
City of Sunrise	Emergency Operations Center Construction	10770 West Oakland Park Blvd, Sunrise, FL 33351	\$2 million	Emergency Operations Center to ensure the City's ability to effectively manage and recover from emergency and disaster situations. This facility is estimated to help the local economy with the prospect of several hundreds jobs and the use of green technology and energy efficiency.
City of Sunrise	Southwest Water Reuse System	10770 West Oakland Park Blvd, Sunrise, FL 33351	\$10 million	This is an essential project to ensure the region's continued water supply and to protect the Everglades.
City of Tamarac	Interoperable Communications System	7525 NW 88th Avenue, Tamarac, FL 33321	\$345,000	A new radio system for city and county government officials, first responders, and other public safety workers to communicate and coordinate ongoing law enforcement and disaster-related emergencies.

<u>Recipient</u>	<u>Project Name</u>	<u>Address</u>	<u>Amount</u>	<u>Explanation</u>
City of Tamarac	Pine Island Pedestrian Overpass	7525 NW 88th Avenue, Tamarac, FL 33321	\$500,000	There is currently no safe pedestrian crossing at this location, which serves numerous schools, a community center, a library, and a developing mixed-use Town Center. These funds will be used to construct a pedestrian overpass to ensure public safety and ease of access.
City of Tamarac	Main Street Revitalization Project	7525 NW 88th Avenue, Tamarac, FL 33321	\$1.5 million	The purpose of this project is to make this city corridor more inviting to new businesses and recreational users, thereby promoting jobs and other private economic investment in this area.
City of West Palm Beach	Police Technology Upgrade Project	200 2nd Street, PO Box 3366, West Palm Beach, FL 33402	\$1 million	Digital in-car video systems and security cameras in the revitalized downtown area, to enhance law enforcement communication, response, and capabilities.
City of West Palm Beach	Youth Empowerment Centers Project	200 2nd Street, PO Box 3366, West Palm Beach, FL 33402	\$1.5 million	Youth-oriented job skills training, crime prevention, youth development, and educational improvement.
Florida Atlantic University	Accelerated Mobile Product Development	777 Glades Road, Boca Raton, FL 33431	\$500,000	This project will utilize previous experience to build an infrastructure that will facilitate high school students and teachers with creative, scientific, and entrepreneurial background, to build their own high-tech mobile products and services quickly and efficiency.
Florida Inland Navigation District	Okeechobee Waterway	1314 Marcinski Road, Jupiter, FL 33477	\$2.5 million	Congressionally-authorized maintenance dredging of the waterway to ensure continued necessary commercial and recreational boat navigation.

<u>Recipient</u>	<u>Project Name</u>	<u>Address</u>	<u>Amount</u>	<u>Explanation</u>
Florida Inland Navigation District	Intracoastal Waterway	1314 Marcinski Road, Jupiter, FL 33477	\$5.9 million	This federally-authorized dredging project is essential to ensuring the maintenance of the Intracoastal Waterway, a vital navigation route for commercial and recreational vessels along Florida's coast.
Florida International University	FIU-AFRICOM Program: Technology for Capacity and Prosperity	11200 SW 8th Street, Miami, FL 33199	\$1.5 million	Development and application of emerging technologies in fields like the environment, telecommunications, renewable energies, medicine and engineering infrastructure, to ensure stability, enhance security, and develop prosperity while spurring micro-business opportunities.
Florida International University	FIU-AFRICOM Security and Stability Studies Research Institute (SSSRI)	11200 SW 8th Street, Miami, FL 33199	\$1.3 million	Provide a unique approach to regional security analysis and policy implementation, enhancing security and stability. This program has been proven to work in Western Hemisphere regions.
Florida Trail Association	Trail Construction and Management	5415 SW 13th Street, Gainesville, FL 32608	\$2.5 million	Manage, construct, and maintain 1,277 miles of certified Florida National Scenic Trail.
Forever Family	Children Safety and Adoption Initiative	24 SE 9th Avenue, Fort Lauderdale, FL 33301	\$650,000	Forever Family is a non-profit public-private partnership with enormous success in combining media, child advocacy groups, child welfare agencies, juvenile justice, and other groups to find children and teens in foster care loving adoptive homes. This funding will enable Forever Family to expand from the local area to a statewide effort.

<u>Recipient</u>	<u>Project Name</u>	<u>Address</u>	<u>Amount</u>	<u>Explanation</u>
FoundCare	Community Health Center, Palm Springs	2330 South Congress Avenue, Palm Springs, FL 33406	\$1 million	To build a community health center to provide high-quality affordable health care including pediatric and adult primary medical care, dental services, and a full service pharmacy, as well as other supportive services.
Ft. Lauderdale Downtown Development Authority	Downtown Transit Corridor Program; Intelligent Transportation System (ITS)	305 South Andrews Avenue, Suite 301, Fort Lauderdale, FL 33301	\$2 million	The ITS system will support existing transit services in the County and City, providing enhanced public transportation services to local and regional residents. This project is the result of a planning process involving all of the major stakeholders and transit providers in downtown Fort Lauderdale.
Harbor Branch Oceanographic Institution at Florida Atlantic University	Coral Reef Conservation Initiative	600 U.S. 1 North, Fort Pierce, FL 34946	\$2 million	To develop cost-effective reef monitoring and conservation efforts and other support services to preserve these critical components of the ocean's ecosystem.
Hendry County	State Road 80	Courthouse Square, 165 S. Lee Street, LaBelle, FL 33975	\$4 million	This intersection is the most dangerous in the county and funds will be used to construct an elevated T section and provide on and off ramps to alleviate accidents.
Hendry County	Harlem Downtown Revitalization Project	Courthouse Square, 165 S. Lee Street, LaBelle, FL 33975	\$500,000	Funds will be used to redevelop and revitalize the downtown Harlem area, which has been negatively impacted by hurricanes, urban blight, and elevated criminal activity. This area is located in a Federal Rural Enterprise Community and Florida Enterprise Zone.

<u>Recipient</u>	<u>Project Name</u>	<u>Address</u>	<u>Amount</u>	<u>Explanation</u>
Indian River State College	Renewable Energies Center	3209 Virginia Avenue, Ft. Pierce, FL 34981	\$950,000	This complex of laboratories and classrooms will provide education and training for solar, wind, biomass, ocean energies, fuel-cell technologies, and energy-efficient building design occupations.
Issa Trust Foundation	Resource Program for Jamaican Youth	11902 Miramar Parkway, FL 33025	\$150,000	This funding will expand the Three Hills Primary School in Ocho Rios, Jamaica.
Jewish Adoption & Foster Care Options, Inc. (JAFCO)	JAFCO Respite House and Family Support Center for Children with Autism	4200 N. University Drive, Sunrise, FL 33351	\$500,000	Construct a Respite House for children with autism to provide temporary services (family caregiver relief, health training, counseling, and socialization). This project will create 50 new jobs in direct care, therapy, social work and management.
Martin County	Indian Street Bridge, Stuart	2401 SE Monterey Road, Stuart, FL 34996	\$20 million	The Indian Street Bridge will create close to 3,000 jobs, provide concurrency for future development, reduce emergency evacuation times, alleviate air pollution from traffic congestion, improve movement of freight and goods, and improve regional connectivity.
Memorial Healthcare System	Breast Services Expansion Initiative	3501 Johnson Street, Hollywood, FL 33021	\$1 million	The MHS Breast Services Initiative would allow for the expansion of services to other locations in Broward County to provide comprehensive screening, evaluation, diagnosis and treatment to more women in South Broward.
Micosukee Tribe	Micosukee Community Water System Improvement	PO Box 440021, Tamiami Station, Miami, FL 33144	\$1.3 million	To fund and construct a water treatment complex to ensure that water quality requirements are met.
Micosukee Tribe	Tamiami Trail Safety Improvements	PO Box 440021, Tamiami Station, Miami, FL 33144	\$1,225,000	This project addresses significant safety concerns and accident mitigation efforts.

<u>Recipient</u>	<u>Project Name</u>	<u>Address</u>	<u>Amount</u>	<u>Explanation</u>
National Guard	Regional Emergency Response Network	Florida National Guard Headquarters, 82 Marine Street, St. Augustine, FL 32085	\$5 million	Funding to add critical communications capabilities to emergency response units.
Naval Sea Cadet Corps	Naval Sea Cadet Corps	2300 Wilson Blvd, North, Arlington, VA 22201	\$650,600	Congressionally-chartered youth development and education program enabling youth to explore maritime career options and develop valuable leadership skills.
New Urban CDC	Henrietta Townhouse Project	1700 North Australian Avenue, West Palm Beach, FL 33407	\$600,000	The development of eleven rental townhouse units to stimulate redevelopment in a CDBG target area, eliminate slum and blight, promote affordable rental housing for very-to-low income households, and create construction jobs.
Nova Southeastern University Health Professions Division	Bioterrorism and all-hazards preparedness curriculum and training	3200 South University Drive, Fort Lauderdale, FL 33328	\$1.8 million	This project will ensure that health providers and first responders in South Florida are properly trained to prevent, respond, mitigate and recover from acts of terrorism, natural disasters, and other public health emergencies.
Palm Beach Community College	Public Safety Program Expansion and Mobile Crime Scene Training Unit	4200 Congress Avenue, Lake Worth, FL 33461	\$373,000	This program expands the university's public safety programs to address critical law enforcement specialties, and develop a new regional law enforcement training facility.

<u>Recipient</u>	<u>Project Name</u>	<u>Address</u>	<u>Amount</u>	<u>Explanation</u>
Palm Beach Community College	Rural Technology Enhancements, Belle Glade Campus	4200 Congress Avenue, Lake Worth, FL 33461	\$700,000	The Belle Glade campus serves rural, low-income students who are on the wrong side of the "digital divide." By expanding the College's infrastructure to this campus more students will be served and the students will be better prepared to enter into and remain competitive in the 21st century workforce.
Palm Beach County	Water infrastructure	PO Box 16097, West Palm Beach, FL 33416	\$7.5 million	The County has constructed a new, regional water treatment plant to ensure quality and safe drinking water for the population of the Glades region. This congressionally-authorized essential project mitigates the health risks from previously below-standard drinking water.
School District of Palm Beach County	Educator's Support Program	3300 Forest Hill Blvd, West Palm Beach, FL 33406	\$1.3 million	This project aims to retain novice teachers and principals and provides meaningful and productive mentoring opportunities to veterans educators, while also benefiting both state and federal "highly qualified" teacher requirements.
School District of Palm Beach County	Career Education for At-Risk and Adjudicated Youth	3300 Forest Hill Blvd, West Palm Beach, FL 33406	\$500,000	This project provides career and vocational education to over 300 students in grades 6-12, who are at risk of dropping out or becoming involved in gang violence, or who have already entered the juvenile justice system.
School District of Palm Beach County	Family Literacy Project	3300 Forest Hill Blvd, West Palm Beach, FL 33406	\$750,000	To increase the academic achievement and literacy of limited-English proficient (LEP) students and parents. This successful program strengthens the language capabilities of new Americans.

<u>Recipient</u>	<u>Project Name</u>	<u>Address</u>	<u>Amount</u>	<u>Explanation</u>
Seminole Tribe	Snake Road Improvement Project, Seminole Big Cypress Reservation	6300 Stirling Road, Hollywood, FL 33024	\$5 million	Snake Road represents a major safety concern for the Big Cypress Reservation. This improvements will not only mitigate accidents but improve emergency evacuation in the event of a hurricane or other disaster.
Smoke Free Society Education Corporation	Smoke Free Society Education Center	PO Box 33103, Palm Beach Gardens, FL 33420	\$6 million	The Center will be a first-of-its-kind facility, a campus-style think tank, research and education center solely dedicated to smoking and tobacco use prevention, education, and cessation.
South Florida Water Management District	Everglades Restoration Projects	3301 Gun Club Road, West Palm Beach, FL 33406	\$270,423,000	These projects are essential to restoring the Everglades, one of the most unique environments in the world and an essential source of drinking water for South Florida.
South Florida Water Management District	Kissimmee River Project	3301 Gun Club Road, West Palm Beach, FL 33406	\$40 million	These projects are essential to restoring the Everglades, one of the most unique environments in the world and an essential source of drinking water for South Florida.
St. Lucie County	Shore Protection Project, Fort Pierce	2300 Virginia Avenue, Fort Pierce, FL 34982	\$5 million	This project will slow the rate of erosion that currently poses a serious threat to public and private infrastructure and to the recreational, commercial, and environmental health of the beach area.
St. Lucie County	Treasure Coast Education, Research and Development Park	2300 Virginia Avenue, Fort Pierce, FL 34982	\$3 million	This office park will house several public-private educational partners who have already initiated a collaborative program to provide research and business start-up services to fledgling biotechnology businesses.

<u>Recipient</u>	<u>Project Name</u>	<u>Address</u>	<u>Amount</u>	<u>Explanation</u>
St. Lucie County	St. Lucie Airport Runway 9/27 Rehabilitation Project	2300 Virginia Avenue, Fort Pierce, FL 34982	\$3.8 million	This is an urgent general aviation safety and community noise abatement priority as the result of increasingly congested airspace in the area and at the airport. The FAA supports this project, which also has the backing of various community and civic groups, state and local government officials, pilots, and airport tenants.
Town of Mangonia Park	Emergency generators	1755 East Tiffany Drive, Mangonia Park, FL 33407	\$490,000	Emergency generators for several government, public safety, and water sanitation locations, to ensure backup and reliability of emergency response and other essential government functions during emergencies.
Town of Mangonia Park	Security Cameras	1755 East Tiffany Drive, Mangonia Park, FL 33407	\$35,000	Purchasing and installing cameras at various city government, law enforcement, and water sanitation facilities to protect against vandalism, threat, and other criminal activities.
University of Miami	Joint Center for Hurricane Research	Rosenstiel School of Marine & Atmospheric Science, University of Miami, 4600 Rickenbacker Causeway, Miami, FL 33149	\$5 million	Funds to conduct essential basic and applied research to improve and expedite hurricane forecasts, improving our understand of and ability to better prepare for hurricanes.
